

I use this dressing both for Cole slaw and broccoli slaw interchangeably. It goes wonderfully with both of them. Although it is more affordable to slice your own cabbage and shred your own carrots, I find that buying the prepackaged slaw is not all that more money. You can usually purchase a 16 oz. bag for around \$1.99. It will save you lots of time!

Here is what you are going to need:

1 16 oz. bag of prepackaged Cole slaw or broccoli slaw

1 cup mayonnaise

1/2 cup granulated sugar

1 tablespoon prepared horseradish

1 tablespoon white vinegar

1/2 teaspoon celery seeds

Place the mayonnaise in a bowl. Whisk in the sugar until smooth. Add the horseradish and the vinegar, whisking constantly. Add the celery seeds and mix well.

Place the vegetables in a bowl. Add the dressing and coat well. Place in the refrigerator for at least an hour. Serve with barbecued ribs, hamburgers, chicken or any of your favorite dishes! Enjoy!
