

Banana Bread French Toast

Makes 2 pieces

2 slices of banana bread
2 eggs
A splash of cream or milk
½ tsp. vanilla extract
A pinch of ground cloves
A pinch of cinnamon
1 tsp. butter
Maple syrup

Whisk the eggs, cream, vanilla, cloves and cinnamon in a bowl.

Heat a skillet or griddle and add the butter. Spread to coat the bottom.

Place the banana bread – a slice at a time – and coat both sides well. Do not soak the bread. Shake off the excess egg and place the bread on the skillet.

Brown the bottom and flip. Brown the other side and remove from heat. Cut the French toast at the diagonal and arrange on a plate. Serve with powdered sugar or maple syrup. Enjoy!
