

Mojitos

Makes one

½ medium lime – quartered

6 mint leaves – halved + one more for rubbing the glass

1 ½ TBS sugar

Ice cubes

1 ½ oz. white rum

Club soda

Place the lime, mint and sugar in your glass and muddle it with a mortar or the handle of a wooden spoon. Make sure to squeeze out all the lime juice and mix it all well.

Rub the edge of the glass with a mint leaf and fill the glass with 3 or 4 ice cubes.

Add the rum and top with the club soda. Mix and enjoy!
